

Letter to the Winter

Music: Florin Chitiul
Lyrics: Bernice & Florin Chitiul,

Listen, listen !
You make me cry...

Strofa 1

I am a flower
Now is my hour!
You leave me dry!
Oh November and you December
Please hear me:

Refren:

Promise me I'll be free!
You freeze me, don't you see?
I'm not your flower
Despite your dower...
Promise me, let me free!

Go away!

Wait, my heart is freezing, wait;
The Spring will make me glow!
You steal my leaves away...
Why, why, why, why?

Strofa 2

Who saves the flower
From winter's power?
Where shall I fly?
Who wants to cheat it?
Who can defy it
Forever?
It's too late!
